

Shylie is a little girl with a big spirit. She was born around the summer of 2007. She is small, weighing about 40 pounds. She is fawn with white markings. Shylie is high-energy and active and very intelligent. Her ideal home will be one in which she has someone to walk with her on-leash daily and a home where she gets plenty of exercise. She is young and lively, and would love an athletic, energetic owner. She gets along with many dogs, with proper introductions, but does not do well with small dogs or cats. Shylie would do well with a medium or large male dog as a companion. She is very people friendly and loves tummy rubs and kisses. She is very expressive and craves human attention. Shylie loves the indoors and she is very well-behaved inside. She will be an indoor dog, with access to a secure fenced-in yard. She is a beautiful dog looking for a special home. If you are interested in meeting Shylie, please email Friends Forever of North Texas at [ffnt2002@hotmail.com](mailto:ffnt2002@hotmail.com). You'll be glad you did!

Tank is a pit bull mix who was found in a junk car at an auto salvage yard in Dallas, in February of 2008, as a puppy. He is a strong, athletic, alert dog, who enjoys daily exercise by loose leash walking 3-5 miles per day. Tank would do well in a household where he's your one and only doggie buddy. Tank loves the indoors, as well as the outdoors, and is crate trained and house trained. He is about 2 years now and tall. He weighs about 70 pounds at present, and is continuing to fill out. He's a big, beautiful brown and white guy who'll capture your heart. Tank is neutered, micro-chipped, and current on vaccinations. Tank needs an experienced owner who plans to continue Tank's obedience training and on-leash exercise routine. He is one exceptionally good-looking dog who will shower his owner with awesome amounts of love and loyalty. If you would like to meet him, please email Friends Forever at [ffnt2002@hotmail.com](mailto:ffnt2002@hotmail.com)

**MARLON**

Hi! My name is Marlon. I was born around the summer of 2004. I was a stray a long time ago until someone found me and took me in. They made me feel safe and well-loved. I have a gentle disposition and get along well with other dogs. I'm a lover, not a fighter, I promise. I'm a white Am Staff terrier mix with pretty brindle patches. I am very well-behaved in the house and like to hang out on the couch. I'm crate trained and house trained. I've been in foster care for awhile now and am ready for my new home. I'm a big loveable boy weighing in at 70 pounds or so. Could I be a contender for your love? If you would like to meet me (I surely hope so!), please contact Friends Forever via email at [ffnt2002@hotmail.com](mailto:ffnt2002@hotmail.com).
